

GA Global Partners and Centurion Service Group Retained to Sell Pine Creek Medical Center's State-of-the-Art Surgical Hospital Equipment

August 15, 2019

DALLAS, Aug. 15, 2019 /PRNewswire/ -- Great American Global Partners LLC ("GA Global"), a leading wholesale and industrial asset disposition solutions provider and subsidiary of B. Riley Financial, Inc. (NASDAQ: RILY), and Centurion Service Group LLC ("Centurion"), a leading auctioneer of medical equipment, were retained to conduct a public auction of Pine Creek Medical Center's surgical and hospital support equipment. The two-day, real-time online auction event will take place on August 21 and 22, 2019.

Before shuttering in July 2019, Pine Creek Medical Center operated as a fully digital and wireless state-of-the-art hospital serving more than three million people in the Dallas-Fort Worth Metroplex and surrounding counties. The privately-held, physician-owned medical facility was built in 2005 as a short-stay hospital with a digital operating room offering leading-edge surgery capabilities and procedures for the spine, orthopedics, bariatric, urology and other specialties.

"The selection of equipment at Pine Creek makes this an auction that should capture the attention of anyone in the medical profession," says Jeff Tanenbaum, President and Managing Partner of GA Global. "Doctors, hospitals and surgical centers, both domestic and abroad, will find tremendous purchase opportunities over the two-day sale."

Items for auction include radiology equipment, operating room equipment, pre- and post-operation equipment, surgical instruments, supplies, hospital beds and patient support equipment, physical therapy equipment and a commercial kitchen, as well as back-up generators, the administrative office equipment and waiting room furnishings.

"We have sold more than 200 hospitals in the past decade and this facility has the best quality and brand names we have ever seen," said Erik Tivin, CEO of Centurion. "This a sale not to be missed."

Interested parties may inspect equipment and other items in-person on Monday August 19th and Tuesday August 20th at Harry Hines Blvd. near Love Field in Dallas, Texas. The public auction and advanced bidding will be conducted entirely online with live, real-time, auctioneer led auction closings taking place on Wednesday August 21st and Thursday August 22nd.
