**UNAUDITED PRO FORMA CONDENSED COMBINED FINANCIAL INFORMATION**

The unaudited pro forma condensed combined financial information and explanatory notes presented below, which we refer to as the pro forma financial statements, show the impact of the proposed merger of B. Riley Financial, Inc. ("B. Riley") and magicJack VocalTec Ltd. ("magicJack") on the historical financial positions and results of operations of B. Riley and magicJack. The pro forma financial statements have been prepared to illustrate the effects of the merger involving B. Riley and magicJack under the acquisition method of accounting with B. Riley treated as the acquiror.

Under the acquisition method of accounting, the assets and liabilities of magicJack, as of the effective date of the merger, will be recorded by B. Riley at their respective fair values and the excess of the merger consideration over the fair value of magicJack's net assets will be allocated to goodwill. The unaudited pro forma condensed combined balance sheet as of December 31, 2017 is presented as if the merger with magicJack had occurred on December 31, 2017. The unaudited pro forma condensed combined statement of operations for the year ended December 31, 2017 is presented as if B. Riley's acquisitions of magicJack and FBR & Co. ("FBR") had each occurred on January 1, 2017, the first day of B. Riley's 2017 fiscal year. The historical combined financial information has been adjusted to reflect factually supportable items that are directly attributable to the merger and, with respect to the statement of operations only, expected to have a continuing impact on combined results of operations.

The pro forma financial statements are presented for illustrative purposes only and do not necessarily indicate the financial results of the combined companies had the companies actually been combined at the beginning of the period presented. The adjustments included in these pro forma financial statements are preliminary and may be revised. The pro forma financial statements also do not consider any potential impacts of potential revenue enhancements, anticipated cost savings and expense efficiencies, or asset dispositions, among other factors.

The pro forma financial statements and accompanying notes should be read in conjunction with the separate historical financial statements and accompanying notes of B. Riley, magicJack, and FBR included in B. Riley's and magicJack's respective Annual Reports on Form 10-K for the year ended December 31, 2017 and the Current Report on Form 8-K/A filed by B. Riley with the SEC on June 28, 2017 incorporated herein by reference.

The preliminary consideration was determined using the outstanding common shares of magicJack as of December 31, 2017 and the estimated consideration attributable to the accelerated vesting of magicJack stock options and restricted stock awards units and is subject to change based on the final number of outstanding magicJack common shares, stock options and restricted stock awards outstanding on the closing date.
